

Welcome to our Summer 2022 Newsletter

Firstly, we'd like to thank you for your continued support this year. It's been a successful one so far, with repeat instructions from long-standing clients in addition to building solid working relationships with new clients.

We are incredibly proud of the whole JJ&A team, who continue to go 'above and beyond' for our clients, and in supporting our experts to ensure that we continue to provide a high-quality expert witness service to everyone we work with.

JJ&A TEAM NEWS

NEW EXPERTS Our team of experts continues to grow, with the addition of **Lorna Macdonald** and **Val Sparkes** as **Care and Occupational Therapy Expert Witnesses**. Both have a wealth of experience and are available to accept instructions from both Claimant and Defendant solicitors.

Midwifery Expert Witness, Jo Clarke has also joined our team. Jo has over 15-years' clinical midwifery experience and is available to take instructions from both Claimant and Defendant solicitors for Breach of Duty Reports.

OFFICE ADDITION We would also like to welcome **Roxy Shepherdson** to JJ&A. She has joined **Mel Tierney** and **Charlotte Doel** as part of our wonderful administrative team and will

be working as a Medico Legal Administrator providing valuable support to a number of JJ&A quantum and liability experts.

JJ&A TEAM DAY In June, the team got together for a very productive day at the glorious [Bowood House Hotel](#), which included talks from Nursing Expert, **Catherine Cooper** and our Director of Operations and Paediatric Care Expert, **Luci Lloyd**.

Our guest speakers on the day were **Becky Willcox** (former JJ&A Nursing Expert), and **Neil Elliot** and **Dan Green** from [Novum Law](#). Becky was sadly involved in a serious road traffic incident in 2020 which left her with life changing injuries. Neil Elliot was instructed to represent Becky, successfully settling her case in Spring this year. Neil and Dan joined our team day to share details of the case and explain how well a case can run, even though Becky's injuries were, and remain complex.

10-YEARS IN SERVICE Our thanks go to **Colin Domaille** and **Karen Jeffreys** who both celebrate 10 years at Jane James & Associates!

Karen is a registered general nurse and works as a case manager, and Colin is a highly experienced neuro-physiotherapist. They are both regularly instructed to write quantum reports within their fields of expertise.

[LEARN ABOUT OUR EXPERTS](#)

Out and About in 2022 In March, Catherine Cooper and Luci Lloyd attended the **AvMA Conference** in Leeds and very much enjoyed catching up with existing clients, as well as building new and important relationships.

In September, we'll be heading to Celtic Manor for the annual **APIL Clinical Negligence Conference**, and in November we'll be attending the annual **Bond Solon Expert Witness Conference** in London. We very much hope to see you there.

Lawyer Monthly Magazine We're thrilled that our Director of Operations and Paediatric Care Expert, Luci Lloyd, is featured in the July edition of **Lawyer Monthly Magazine!**

Luci can be found taking an in-depth look at recent developments in the care sector and the invaluable role that experts can play in ensuring that client needs are met.

Charity News

Julia's House JJ&A are supporters of this local charity, and we recently completed the **Great Wiltshire Walk** to raise much-needed funds for their 'Together We Care' appeal.

We left Avebury at 10.00am, and completed the 13-miles in All Cannings, mid-afternoon. The walk was a challenge, particularly due to the heat, but we got the opportunity to see

some stunning countryside and to chat and share stories with each other along the way, we raised over £1000.00.

Headway Salisbury & South Wiltshire We are also proud sponsors of [Headway Salisbury and South Wiltshire](#), whose mission is to ensure that when a person's life is turned upside down by brain injury, they get the help, support and guidance they need and deserve.
