### Update from Lucinda Lloyd, Director of Operations

As we reach the midpoint of 2025, I am delighted to share some exciting updates and achievements from the first half of the year.

Our business has experienced continued growth and success through increasing numbers of instructions, published articles and conference attendance.

I am incredibly proud of the positive relationships we have with our clients and our in-house and expert teams' hard work and dedication.

## Our New Experts

Alyssa is a highly skilled and experienced Neurorehabilitation Occupational Therapist, with extensive expertise in treating individuals with traumatic brain injuries, spinal injuries, and polytrauma injuries. Having worked internationally, Alyssa brings a global perspective to her practice. Her background includes a deep understanding of both the public and private healthcare systems in the UK, particularly within the neurorehabilitation field.

Alyssa works for Jane James & Associates as an independent Expert Witness taking instructions from both Claimant and Defendant firms covering care, aids and equipment reports.

**EXPERT WITNESS**

**CHRISTOPHER FREESTONE**  
**NURSING EXPERT WITNESS**

Christopher Freestone has worked in the field of neurological care, primarily spinal cord injuries, as a Nurse, Case Manager and Lecturer since 1993. As the Clinical Director and co-founder of Total Community Care which provides bespoke care packages to individuals with complex neurological care needs, Chris is an expert in care. He always advocates choice, independence, and a multi-disciplinary approach to meeting the challenges faced by individuals living with a spinal cord injury.

Chris works for Jane James & Associates as an independent Expert Witness, taking instructions from both Claimant and Defendant firms, for care, aids and equipment reports.

# What Makes Us Different?

## **EXPERTISE**

Our team of experts are carefully selected to provide the best combination of expertise and knowledge in their field. Our expert witnesses feel valued and supported, delivering consistent engagement and commitment to each report they write.

## **OUR REPORTS**

Our quantum and liability reports are equally well-presented, robust, straightforward to read, and transparent on costs. Our experts understand that the objective is to quantify the Claimant's past, ongoing and future needs and that their recommendations must be reasonable and justifiable.

## **GOING THE EXTRA MILE FOR OUR CLIENTS**

When you engage our services, you benefit from a motivated and well-supported team of experts who are genuinely invested in providing the best possible, high-quality reports for the Court. In addition, our dedicated internal expert liaison team is always on hand to provide pragmatic, professional advice and ensure your instructions run smoothly.

## **ENGAGEMENT**

We understand how important it is to build positive relationships with our clients and ensure a smooth process from the initial enquiry to the settlement of the case.

## **PERSONALISED IN-HOUSE SUPPORT**

Our dedicated in-house team provides comprehensive assistance, ensuring our experts can focus entirely on producing high-quality, detailed reports. With administrative burdens lifted, our experts can dedicate more time and mental energy to analysing your case and producing thorough, insightful reports.

## **REPUTATION**

We have received repeat instructions over many years from both Claimant and Defendant legal representatives, which is a testament to the high regard in which we are held by our clients.

“We were extremely grateful to your for your help - the good outcome is very much as a result of the efforts put in by all the experts involved, so thank you very much for your assistance throughout.”

## Lisa Goudy: Expert Witness at JJ&A

Lisa Goudy brings a wealth of experience and expertise to her role at Jane James & Associates (JJ&A). With a career spanning over two decades, Lisa's journey began with a passion for medical care, leading her to qualify as an occupational therapist in 1995. Her diverse experience includes roles in spinal injuries, neurorehabilitation, elderly care, and mental health, as well as senior therapy positions in London.

Since joining JJ&A in January 2020, Lisa has excelled as a care and occupational therapy expert witness. She provides detailed Part 35 compliant reports to assist Courts in determining the quantum for care, occupational therapy, aids, and equipment.

Her JJ&A expert role involves conducting thorough home assessments, writing comprehensive reports, and attending conferences and Court sessions.

Lisa's ability to make justifiable recommendations and her effective communication skills are key to her success. She values the supportive and professional environment at JJ&A, which helps her balance her case management and expert witness responsibilities.

Lisa is a member of:

- Health and Care Professions Council (HCPC)
- Expert Witness Institute (EWI)
- British Association of Brain Injury Case Managers (BABICM)
- British Association of Occupational Therapy (BAOT)
- Information Commissioners Office (ICO)
